The Nashua Bank Donates to the Boys & Girls Club

For Immediate Release

The Nashua Bank, Nashua's only locally owned community bank, has announced its donation of \$20,000 to the Boys & Girls Club of Greater Nashua to support the Club's Teen Center and complete urgently needed Clubhouse renovations. "As a locally owned bank, our mission is to invest in our community and we felt the Boys & Girls Club project provided a great opportunity for us to fulfill that purpose," says The Nashua Bank President G. Frank Teas.

The Teen Center, the first of its kind in the Nashua area, and the Club House Improvement Project were chosen to participate in a New Hampshire Community Development Investment Program. This program enables businesses to donate to the project and receive valuable tax benefits in return. Eighty percent of The Nashua Bank's contribution supported the Club.

The program is run by the NH Community Development Finance Authority (NHCDF) and is the only one like it in the country. NHCDF annually selects non-profit capital projects in the state that will strengthen communities and build partnerships. "It's a perfect fit – neighbor helping neighbor improve a facility that benefits the next generation of business professionals," added Teas.

The Teen Center opened in April and the overall facility renovation was just recently completed. Visit www.bgcn.com to see the demolition and progress photos, renovation brochure and floor plans for the project.
